No points will be allocated for "B" or other finals, however the first 4 drivers, (subject to scrutiny) go forward to the rear of the next higher final. Points for the "A" final (or final if there is no "B") will be allocated as follows, however in National "A" & "B" Permit events where members of other Clubs are allowed to compete, the "final" points allocation for a club member will be based upon that competitors finishing position in the overall race result. E.g. If the leading "Club" competitor finishes 2nd overall in the race, he/she will be allocated 2nd place pts (85).

All starters will be awarded points in the heats and finals depending on the amount of laps completed
Non starters will not be awarded any points.

Should an occasion arise when 2 or fewer heats are run with a final, points will be included as per normal, but the un-run heats will not be included as dropped rounds.

*** A competitor who is excluded from a heat or final will not score points in that heat or final.**

The track licence allows for a maximum grid of 34 (250E = 24) the reason for listing points down to 34th pos. however in most instances grids are limited to a maximum of 30 (250E = 24).

NB. Points are only scored in the Championship from the date/time a Driver joins the Club therefore any Driver joining after the start of the season cannot back date his membership to include results (points) obtained in earlier meetings.

- 1.6.2 Dependant upon entry levels as described below, the totals from all 9 rd, less a Drivers lowest score four (4) heat and one final will determine the final Championship and positions (23 heats and 8 finals to count subject to there being 3 heats and a final at all meetings) In the event of a class not having a minimum of 5 qualifying rds, then that Class will not be awarded a Championship. If only 7 rds or less are held for a class then ALL scores count.

Any driver excluded from a heat or final (0 points) cannot count that score, as one of their dropped scores.

- 1.6.3 Ties shall be resolved in the following manner

- A Number of first places in finals, if no decision
- B Number of second places in final, if no decision
- C Number of third places in final
& so on down to 30th place. If a tie still cannot be decided then it will be resolved on a toss of a coin.
